

## **Heartland School Chant**

I am a Heartland Husky, and I will howl with pride  
I am a Heartland Husky, and this will be my guide:

I have goals, and will work to reach them too  
I'll use kind words and actions, 'cause that is nice to do

I'll stand up for self and others, in learning and at play  
When things are hard, I'll keep trying -- each and every  
day.

I will be prepared so I can learn and always do my best  
I'll encourage others, and strive for excellence!

I know that I can make a diff'rence wherever I am found  
I am a Heartland Husky, and I am college bound!
